**ADVANCED PROGRAM REGISTRATION INSTRUCTIONS
FALL '07 -SPRIING '08**

REGISTRATION PROCEDURE: It is the responsibility of the parent/guardian to make sure that all registration materials are filled out properly and **returned to the coach** by **JUNE 6, 2007**, along with an original birth certificate or passport, notarized medical release, payment and a 1" x 1" picture (see Advanced Program Paperwork Specifics below) . If you will be out of town after tryouts, it is your responsibility to get your materials turned in before you leave town.

Registrations that are not filled out completely or are missing payment, pictures or forms will not be processed until a **late payment fee of \$35** is paid and the paperwork is complete. Please plan ahead and be sure your paperwork is complete and turned in on time.

ADVANCED PROGRAM PAPERWORK SPECIFICS:

- **Registration forms**
NMYSA form. Fill out all unshaded sections. Make sure you provide the child's legal name, including middle initial, and gender of the player on the NMYSA form. This must match their birth certificate - no nicknames. **This form is now also the medical release form and needs to be notarized.** If your child is playing up you need a playing-up consent form available from nmysa.net in the forms section. We need to have the mother's birth month and date for our new registration system. We will be creating new ID numbers for all players. This is a new system for the entire state.
LAYSL form must be filled out completely.
- **Picture:** Attach a current picture of your child, approximately a 1" x 1" face shot, with name of your child written on the back of the picture.
- **Proof of birth:** A government-issued birth certificate or passport must be turned in along with the registration materials. **Photocopies, even if notarized, cannot be accepted.**
- **Medical release:** This form is now part of the NMYSA form. There is no longer a separate form.
- **Fees:** **Registration for the Fall 2007-Spring 2008 season is \$85.** Please make checks payable to LAYSL. Be aware that there will be separate fees charged by the team to cover expenses such as uniforms, tournaments and DCSL or NWRG fees.

WITHDRAWAL FEES: Players withdrawing after their registration has been processed will be charged a withdrawal fee. A fee of \$10 will apply to all withdrawals before July 17, 2007. On July 17, 2007 the fee will increase to \$25. Refunds are issued after all the registration procedures for those children who are playing have been completed. No refunds will be issued once practice begins. Players who make the high school team will be eligible for a full refund if they notify me before August 15, 2007. On August 15, 2007, the withdrawal fee will be \$25. The LAHS coaches do not notify me of player selections. It is the job of the player or his/her parent to contact me. Once a player withdraws from the League he/she may not practice or play with any LAYSL team.

DUAL-ROSTERED PLAYERS: Any player who will be dual-rostered (playing with both a recreational and an advanced team) must first fill out the advanced program forms for their advanced team coach, **and** then fill out the recreational forms for the Recreational Registrar. Please note on both LAYSL forms that your child is dual-rostering. Pay **only** the advanced program fee.

VOLUNTEERS: LAYSL cannot function without the help of parent volunteers for all teams. Each team needs a coach, an assistant coach, referees and people to be assistant referees (linespersons). Free clinics are available each season for those who would like to coach or referee. Fees are waived for certain volunteer positions. See the LAYSL registration form for details. Please volunteer to help your child's league! Indicate on the LAYSL form what you can do to help.

JEWELRY: Please note that no jewelry is allowed at games or practices. This includes earrings of any sort. The only exception made is for Medic Alert bracelets, which must be taped to the arm while practicing or playing.

THIRD CHILD DISCOUNTS: If you have three or more children registered in LAYSL, the two most expensive children pay the full fee. The rest of your children pay \$35 each.

If you have any questions, please leave a message for me at 672-9633. or contact me at the e-mail address below.
